Happy New Year!

Believe it or not, another year has gone by and 2012 looks to be a very good year for all.

We at American Housing would like to take this opportunity to thank all of our past customers for allowing us to be your builder and to thank you for supporting us throughout the years.

The challenges we have faced in the past few years have served to strengthen our resolve, and because of the loyalty of our customers who continue to believe in us, we are already seeing a positive upward trend in our business. We look forward to serving even more new customers in 2012!

"One & Two Story Room Additions"

A Message from Lee Kretzer

Lee Kretzer, one of the owners of American Housing, wanted to take a moment to wish you all a very Happy New Year.

"It is another New Year and we at American Housing Builders and Remodeling feel that 2012 is going to be an exciting New Year. We anticipate a really busy year and are looking forward to meeting many new customers as well as making many new friends."

Kids Moving Home!

According to a recent survey by the Pew Research Center in Washington D.C., about 13% of adult sons and daughters have been moving back home annually.

It stated that 16% of all 20-to-24-year-olds are unemployed and a whopping 85% of college graduates are planning to move back home with their parents. So with so many college graduates planning to move back

home, parents may need to add more room on to their home and American Housing can help make that happen.
